Personal Website Guidelines

`</body>`

`<title>`

Purpose of the project

`</title>`

`<body>`

o Establish a professional presence online
o Showcase your work, and tell potential employers about yourself

o Begin HTML and CSS coding
o Learn how to optimize content for the web
o Apply design principles discussed in class

`</body>`

`<title>`

Minimum requirements

`</title>`

`<body>`

o At least 4 separate HTML pages
- Index
- Resume
- Portfolio
- Photos
- Videos
- Publications
- Internships
- Contact
o At least 500 words of content

`</body>`

`<title>`

Minimum requirements

`</title>`

`<body>`

- First page **has** to be called "index.html"
- All file names in lowercase
- Give pages appropriate file names
  - "about.html" is better than "pagetwo.html"

`</body>`

`<title>`

Minimum requirements

`</title>`

`<body>`

- Include link to your blog
- Include links to at least two social networks that you maintain a professional presence on
- Include 1 other external link
- Include a "mailto" link

`</body>`

`<title>`

Minimum requirements

`</title>`

`<body>`

- Include at least one image that you've edited and created yourself
- Individual images can be no more than **200 kb** in size, and the images on your page cannot total more than **1 mb** (1024 kb)
- Images placed in an "images" or "img" folder

`</body>`

`<title>`

Minimum requirements

`</title>`

`<body>`

- o Write all HTML and CSS by hand
  - Use CSS for presentation, HTML for layout
- o Optimize page for viewing on both desktop computers and mobile phones
  - Responsive web design
- o Purchase a domain name and attach it to your website

`</body>`

`<title>`

DUE DATE

`</title>`

`<body>`

- o Project is due **at 11:59 p.m Feb. 27**
- o Submit via GitHub
- o We should be able to go to "yourname.com" and pull up the files you have uploaded to GitHub

`</body>`

`<title>`

Late work

`</title>`

`<body>`

- o For each day, or partial day, that your project is late, you will be deducted 10% from your final grade

`</body>`

`<title>`

Grading

`</title>`

`<body>`

- You will be graded compared the abilities of your peers, not your instructors
- Grades, plus detailed feedback, will be returned approximately 3 weeks after the due date

`</body>`

`<title>`

Grading

`</title>`

`<body>`

- Grading will be rigorous
- Just meeting the project requirements **does not** constitute A-work
- Students who get A's not only master the course content, but show creativity and initiative
  - Don't be afraid to try things you haven't learned in class
